

## CORNISH TRI SERIES 2022 – RANKING SYSTEM

Are you up for a challenge? Join likeminded multi-sport enthusiasts and compete for the overall series awards in your age group.

### I. BEST OF 3 + VOLUNTEER

The 2022 Cornish Tri Series consists of 6 scoring events. Age group winners (male & female) will be awarded 100 points for the Season Finale and 100 points at each of the scoring events (Points decrease by position, see Appendix A). The final standings will be obtained by adding the points gained in your 3 best results from the scoring events.

To qualify for the Overall Series Awards, athletes need to complete a minimum number of 3 events (any combination of events) **AND VOLUNTEER** or bring a volunteer to at least 1 event. While you can mix Sprint and Olympic distance entries to compete for the Sprint Series awards, you can't mix Sprint and Super Sprint entries as the latter have their own, beginner friendly, Super Sprint awards.

### Age groups for 2022:

- Open (17-39yrs)
- Vet (40-49 yrs)
- Super Vet (50-59 yrs)
