

COVID-19 WAIVER

While participating in events organised by intoTRI, social distancing must be practiced and face coverings worn in all indoor/outdoor settings as set out by state or local public health authorities on the day of the event to reduce the risks of exposure to COVID-19. Because COVID-19 is extremely contagious and is spread mainly from person-to-person contact, intoTRI has put in place preventative measures to reduce the spread of COVID-19. However, intoTRI cannot guarantee that its participants, volunteers, partners, or others in attendance will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, individuals who fall within any of the categories below should not engage in intoTRI events. By attending an intoTRI event, you certify that you do not fall into any of the following categories:

- Individuals who currently or within the past ten (10) days have experienced any symptoms associated with COVID-19, which include fever, cough, and shortness of breath among others; or
- Individuals who have travelled at any point in the past ten (10) days from a red listed country; or
- Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment

DUTY TO SELF MONITOR

Participants agree to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath) and, contact intoTRI at intotri.team@gmail.com if he/she experiences symptoms of COVID-19 within 10 days after participating with intoTRI.
